### ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION** — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Regular Savings, Second Savings, eChecking, Christmas Club, Health Savings Account, Coverdell Education Savings Account, Money Market Plus, Money Market Max, Traditional IRA, Roth IRA, and SEP IRA accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the rates and yields as of the last dividend declaration date that is set forth in the Rate

Schedule. eChecking, Health Savings Account, Money Market Plus, and Money Market Max accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For eChecking, Health Savings Money Market Plus, and Money Market Max accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

**2. eCHECKING ACCOUNTS** — The eChecking account is a tiered rate account. If your balance is \$15,000 and below, you may qualify for higher dividend rates if you meet the applicable minimum qualification requirements during the monthly qualifying period. To meet the minimum qualification requirement, you must: 1) direct deposit to your eChecking account with a minimum deposit of \$500.00 during the qualifying period; 2) make 20 debit card

transactions that post and settle to your account during the qualifying period; 3) make a minimum of four monthly online banking logins; 4) actively enrolled in bill pay; and 5) receive eStatements. The monthly qualifying period is defined as the period beginning one business day prior to the first day of the current statement cycle through one business day prior to the close of the current statement cycle. ATM-processed transactions are not considered qualifying transactions. If you meet the minimum qualification requirements during the monthly qualification cycle, the first dividend rate and annual percentage yield listed in the Rate Schedule will apply if your balance is \$15,000.00 and below. If you do not meet the minimum qualification requirement during the monthly qualifying period and your balance is \$15,000.00 and below, the second dividend rate and annual percentage yield listed in

the Rate Schedule will apply. If your balance is \$15,000 and below.

If your account balance is \$15,000 or greater, the third dividend rate and annual percentage yield listed in the Rate Schedule will apply.

**3. NATURE OF DIVIDENDS** — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**4. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

**5. ACCRUAL OF DIVIDENDS** — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Regular Savings, Second Savings, eChecking, Christmas Club, Health Savings Account, Coverdell Education Savings Account, Money Market Plus, Money Market Max, Traditional IRA, Roth IRA, and SEP IRA accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends. However, for Christmas Club accounts, any accrued dividends will be paid if you close the account within seven (7) days of the date you open it.

**6. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Regular Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Second Savings, Christmas Club, Health Savings Account, Coverdell Education Savings Account, Money Market Plus, Money Market Max, Traditional IRA, Roth IRA, and SEP IRA accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. For accounts

using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

**7. ACCOUNT LIMITATIONS** — For Christmas Club accounts, the entire balance will be transferred to another account of yours on or after September 30 and the account will remain open. For Regular Savings, Second Savings, Personal Checking, eChecking, Health Savings Account, Coverdell Education Savings Account, Traditional IRA, Roth IRA, SEP IRA, Money Market Plus, and Money Market Max accounts, no account limitations apply.

**8. FEES FOR OVERDRAWING ACCOUNTS** — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

**9. MEMBERSHIP** — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$5.00
Number of Shares Required	1

**10. RATES** — The rates provided in or with the Rate Schedule are accurate as of the last dividend declaration date indicated on this Truth-in-Savings Disclosure. If you

have any questions or require current rate information on your accounts, please call the Credit Union.

**11. FEES** — See separate Schedule of Fees and Charges for a listing of fees and charges applicable to your account(s).
